LAFAYETTE

CHAMBER OF COMMERCE

WELCOME TO LAFAYETTE!

Quiet residential sophistication meets hometown excitement and a flourishing downtown in one of the San Francisco Bay Area's most desirable communities.

FOR LIVING. FOR BUSINESS. FOR YOU.

Centrally located among the East Bay hills, Lafayette exudes a quiet rural atmosphere. Lush, tree-lined residential areas surround a thriving downtown which includes smaller homes, apartments, BART station, churches, a library, theaters, public schools among the top 5% in California, a flourishing retail and commercial business community and the famed Lafayette Reservoir.

Lafayette projects its distinctiveness in many ways: diverse topography, small town atmosphere, access to a variety of recreational activities and established neighborhoods. Throughout the community from downtown districts to hidden valleys, there is an obvious emphasis on preservation of the natural surroundings. Effort is also placed on maintaining a well-balanced distribution of services and products as witnessed in the town's huge variety of shops, restaurants, entertainment venues and specialty stores. There is a tangible focus on community as seen in the services, activities and associations that support and define Lafayette's exceptional texture.

FOR LIVING. FOR BUSINESS. FOR YOU.

If you live or work near by, or in Lafayette itself, you'll find this ***Business and Community Directory*** to be an invaluable resource for keeping in touch with the many activities, events and pastimes that invite your participation. Here you will find information on your business and personal shopping needs, commercial needs and other vital data.

If you're new to our community, welcome. This ***Directory*** will serve as an introduction for you and provide a wealth of information. But keep in mind, the only true way to know and appreciate the uniqueness that is Lafayette is to "explore, experience and enjoy" it for yourself. We look forward to welcoming you personally.

COMMUNITY EVENTS

LAFAYETTE ART & WINE FESTIVAL

The Lafayette Art & Wine & Festival was launched in 1996 and the two-day celebration quickly became the city's largest and most successful downtown event. More than 50,000 persons attended in 2000, strolling among stalls of art handmade crafts, sampling foods from top local restaurants, and enjoying quality wines and microbrews. Non-stop musical entertainment on two stages throughout the weekend helped spark the block party ambiance.

LAFAYETTE RESERVOIR RUN

The Lafayette Reservoir Run has become the city's largest "family affair", involving kids, parents, grandparents, and hundreds of serious runners from throughout the Bay Area. 1500 - 2000 participants compete in a 10k, 5k or 2 mile race thorough the heart of the downtown, around the reservoir and back. Sprinters, walkers, the "stroller brigade" and many of Lafayette's top four legged residents share the streets on that festive Sunday morning.

The Chamber of Commerce and the City of Lafayette are co-sponsors of the Run which is traditionally held on the last Sunday in October. Beneficiaries of the event are the local schools and the services and programs of the Chamber.

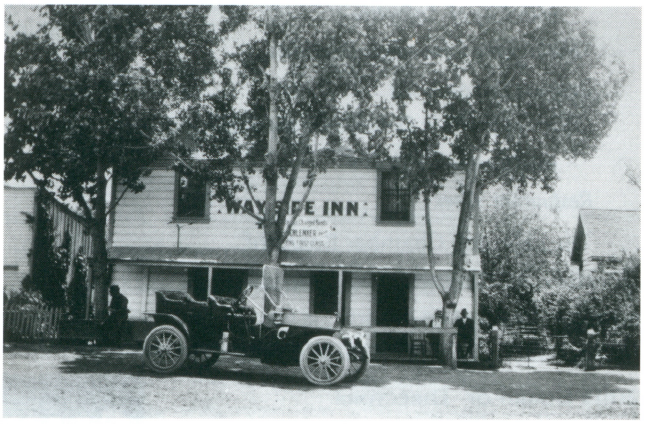
LAFAYETTE HISTORY

Brown's Mill, Brown's Corners, Centerville, La Fayette - our community has had many names. It was officially granted the name Lafayette in 1855 when Benjamin Shreve, the town's first school teacher, applied for a post office for the village.

Located on land that once encompassed an entire Mexican land grant (Acalanes Rancho) and portions of four others, Lafayette was first settled in 1848. While the original land grant was made in 1834 to Candelario Valencia, the town founder was the third Rancho owner, Elam Brown. He bought the one square league Rancho for $900.



(Left) Wayside Inn, built in 1894 by Edward J. Brady & Co. on a portion of the mill lot owned by Elam Brown. In the early years the Inn was known as a "first class" saloon. This photo was taken about 1910. The building still stands at 3521 Golden Gate Way. It was dedicated as a State Point of Historical Interest on June 13, 1970.

As the hamlet straddled the road that led from the Moraga Redwoods to the lumber shipping point at Martinez, early Lafayette became a stop-over spot for wagon drivers. When Brown established a grist mill in 1853, the center of the farming village moved toward the present Mt. Diablo-Moraga Road intersection.

Lafayette remained a quiet farming village until the post-World War II building boom turned cornfields into housing developments.

The City marked the 150th anniversary of the arrival of the Yankee settlers in 1998. Throughout the year-long Sesquicentennial celebration, several new monuments to our history were dedicated. These sites included the spot on Happy Valley Road where founder Elam Brown and his family built their first home; the site of the Pony Express Station which served from 1860-1861, located near the present intersection of Mt. Diablo and Moraga Road; and the homestead of Jenny Bickerstaff, the community's first teacher, in the Diablo Foods parking lot today.

For more information on the City's history, contact the Lafayette Historical Society, P.O. Box 133, Lafayette, CA 94549.

The New Lafayette Hotel, circa 1914. This building, at the corner of Mt. Diablo Blvd. and Moraga Road, was built by Philip Lamp in 1900. It was destroyed by fire in 1925.

(Above) Pioneer Store, 1903. Benjamin Shreve's store, built circa 1864, was purchased by Robert McNeil in 1902 and operated by him until 1935. The building, located at 3535 Plaza Way, is Lafayette's oldest remaining structure. Dedicated as a State Point of Historical Interest in 1970.

Lafayette Post Office, 1904, on Mt. Diablo Blvd. at the junction of Moraga Road. It was moved here from its first location in the Pioneer Store. Carrie Van Meter (standing) was Postmistress from 1904 to 1927. Her daughter, Pearl, is seated at right.

Lafayette baseball team from the early 1900's.

Good Templar Lodge, built in the early 1860's. Located on a hill at the east side of Plaza Park, across from the present Park Theater, it was also used as a church building. It was purchased in 1927 by Clarence and Freida Brown for $1500. The building was torn down and the hill leveled for a service station.

Lafayette Schoolhouse, circa 1900. Built in 1893, it was Lafayette's third school. In 1927 the Lafayette Methodist Church moved into the building, which still stands on Moraga Road.

THANKS FOR 33 WONDERFUL YEARS!

Do You Remember 1968? That was the year Lafayette became a city; the Green Bay Packers beat the Oakland Raiders 33-14 in Super Bowl II; Jackie married Ari; the mini-skirt was more popular than the midi; everybody was humming or singing *Hey Jude,* the Beatles' big hit . . . . and in April that year a new kind of supermarket was started, featuring only the best USDA-graded meats, fresh-daily fish, local fresh poultry, extra-fancy produce, and the friendliest clerks. That was us—Diablo Foods. We're bigger now, but we're still locally owned and we still care about you. Thanks for 33 wonderful years! Please keep coming back!

THE LIBRARY

The Lafayette Library, probably the oldest in Contra Costa County, has come a long way since it originally opened as part of the Lafayette Town Hall in 1860. Now located at 952 Moraga Road, the Lafayette Library offers a wide range of materials and services aimed at meeting the needs of today's busy lifestyle:

- ❑ Adult, teen and children's books, magazines, videos, CD's, CD-ROM's and cassettes for work, school, and entertainment;
- ❑ A fine selection of books on tape, especially enjoyed by busy commuters;
- ❑ Children's programs, from storytimes for preschoolers to summer reading programs which inspire children of all ages to read;
- ❑ Reference materials and a trained staff to help find answers;
- ❑ Computer workstations with access to the Internet and databases that assist with homework, provide business and health information, or recommend books to read.

As part of the Contra Costa Library System, the Lafayette Library's resources extend beyond what is located at 952 Moraga Road. Thanks to a computer system which links all 23 branches, items not available at the Lafayette Library can be located, requested and delivered to the Lafayette Library for pick up. Plans are currently underway to build a new and expanded library in downtown Lafayette.

Library cards are free. Adults and teens need only present identification showing current address. Children under 13 require a parent's signature. Your Contra Costa County Library card may be used at any Contra Costa County Library branch. If you have Internet access at home or work, you can visit the Library's website at **www.contra-costa.lib.ca.us.** From the website, you can search the Library's catalog and use your library card to place a hold on a title, review

While nearby cities struggle with achieving a human scale among mega shopping centers and big box retailers, Lafayette continues to provide the "small town downtown" features the city's leaders - past and present - have strived to achieve. Lafayette today is experiencing an exciting renewal in the core commercial area, fueled by private investment and the community's clear vision of what we want to be.

The Chamber of Commerce spearheads a continuing awareness campaign to remind residents of the value of shopping locally. Not only do our merchants offer top quality shopping choices coupled with high levels of personal service, but by keeping your shopping dollars and using your buying power within Lafayette, you put money back into the community which serves you.

Check the yellow "Shopper's Guide" section for listings of Lafayette businesses by category.

There is a direct correlation between purchases made in Lafayette and the services that the City is able to provide its citizens. Nearly 12% of all sales tax collected in Lafayette is returned to the City and is a significant part - 33% - of the City budget. Street repairs, police services, youth and senior services are only a few of the programs which may be reduced or increased depending on the amount of money available to the City's coffers.

Your dollar has more direct impact on your own community in Lafayette than in any other city in Contra Costa County!

Welcome to the Lafayette School District. A kindergarten through eighth grade district, the system includes about 3500 students in four elementary (K-5) schools and one middle (6-8) school.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: Reading, Language Arts and Mathematics. As a result, the students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the district is attributed to a strong, ongoing "Partnership in Education" relationship which exists among students, parents, faculty and community.

Persons who will have children attending one or more of the Lafayette schools should notify the district as soon as possible to help insure that their children's academic needs will be properly met.

The Acalanes Union High School District is comprised of four comprehensive high schools serving the communities of Lafayette, Orinda, Moraga and Walnut Creek. The two high schools that serve the neighborhoods of Lafayette are Acalanes High School, 1212 Pleasant Hill Rd., Lafayette and Campolindo High School, 300 Moraga Rd., Moraga. All of the schools of the district rank in the top of high schools in California in terms of academic and extra-curricular offerings. The schools pride themselves on the quality of their educational programs that provide a solid foundation for the students of our communities. This is evidenced by the fact that over ninety percent of our students attend college after graduating.

To keep pace with a growing population and a growing demand for a high-quality educational experience, the schools have engaged in an aggressive building and remodeling campaign and an upgrade in standards for benchmarks in the curriculum. As a result of successful bond elections in the 1990's, the schools now enjoy new classroom buildings, upgraded buildings, remodeled swimming pools and fields, and theater and fine arts facilities under construction or in the planning stages. The district has also invested heavily in wiring the schools for modern technology and in providing computers and instruction in the application of technology.

The district is in the midst of implementing the California State Standards in the content areas and aggressively addressing the need for comprehensive and positive assessment procedures and data for

students, parents, and teachers. Advanced Placement courses have been added on a consistent basis for over the past five years, and the District now offers a complete and wide selection of advanced courses for the needs of our students.

The District is aware of the need to offer a broad range of opportunities for our students. Therefore, there are existing and emerging courses and pathways in career-oriented interests, such as automotive technology, CAD drafting and engineering, and other technical areas. The schools also offer a full range of sports teams and clubs and activities to engage student interests. Over sixty percent of the student body joins athletic teams.

The schools of the District are superior educational institutions by every measure. A large part of this success is due to the fact they enjoy superior support from the community - from parents, clubs, boosters, foundations, organizations, and business. The communities value the schools as an integral part of the quality of life we enjoy in the Lafayette area.

LAFAYETTE ARTS AND SCIENCE FOUNDATION (LASF)

Formed in 1980, the Lafayette Arts and Science Foundation is a non-profit educational foundation whose mission is to support and enrich the education of every child in Lafayette's public schools. The organization's current budget is in excess of $750,000.

Through a community based effort, LASF is able to provide each school in Lafayette with hundreds of hours of top-quality academic enrichment programs and teacher training, primarily in the areas of choral and instrumental music, visual and performing arts, science, social studies, the humanities, mathematics and computer technology.

LASF unites the community in a goal of excellence for Lafayette's children. For more information, please write to LASF, P.O. Box 923, Lafayette, CA 94549. You may also call (925) 943-6559, or check the web site at www.lasf.org.

Lafayette Reservoir & Recreation Areas

Located off Mt. Diablo Boulevard on the west end of Lafayette, the Lafayette Reservoir was completed in 1933 to be used as a standby supply of drinking water for East Bay Municipal Utility District (EBMUD) customers. The 925 acre site with a 1.4 billion gallon reservoir was opened to public recreation in 1966. Besides being used as an auxiliary water supply, the reservoir is a recreational area for hiking, fishing, boating and picnicking.

The recreation area is open year-round during daylight hours. Opening and closing times are posted at the gate. There is a daily parking fee for cars or a yearly permit may be purchased instead.

Fishing is $2.00 per day at the reservoir and the usual state license requirements and bait restrictions apply.

EBMUD and the State Department of Fish and Game plants many thousand catchable trout each year. The reservoir also contains bluegill, black bas, black crappie and several kinds of catfish.

Privately owned rowboats, canoes, kayaks and sailboats are allowed at the reservoir. There is a fee for boat registration. In addition, there are rowboats and pedal boats for rent at the visitor center on an hourly, half-day or all-day basis.

Surrounding the Lafayette Reservoir are 135 picnic tables and barbecues to accommodate families and small groups. Most picnic areas are located near the dam; others are scattered around the reservoir and are accessible by boat or on foot.

Open fires and barbecues outside of developed areas are not allowed.

Two areas are set aside for groups, one for up to 50 with prior reservations. The other area can accommodate up to 250 people. There is a prepaid reservation fee required. The reservation fee will be refunded if 15 days' advance notice of cancellation is received.

There is a $5.00 per vehicle entrance fee for parking; meter parking is 50 cents per half hour (maximum two hours). Annual card is $85; $42.50 for seniors. Call 284-9669 for further information.

HOUSING

"A little in-filling here and there but the days of big growth are over. Lafayette added 2,622 residents in the 1980's and may, say regional planners, add about 1,500 people in the next 20 years. Tight planning controls.

"Some apartments and condos in downtown but mostly single homes, many of them custom built, more than a few opulent. Also many quite modest. When you buy in Lafayette, you pay for the schools, the safety, the society of professionals, the address."
(2001 McCormack's Guide)

Average housing prices:

3 bedroom	$583,000
4 bedroom	$850,000
2 bedroom condominium	$354,000

Rentals:
